

# Shells for Cells

## Saturday, April 14, 2018

Coahoma teen, Garrett Parrish, suffered a spinal cord injury during a tragic sledding accident on February 27th, 2015. Stem cell treatments paired with physical therapy and a lot of hard work have been vital steps on his road to recovery. Being that the stem cell treatments are not offered in the U.S, the Parrish family must travel to Germany for all treatments. All proceeds from the shoot go to helping the Parrish family with medical and travel expenses.

- \$150 a shooter
- 1 in 10 win a gun
- Registration @ 8 am
- Drawing will be held during lunch
